Head Support

Counterweight

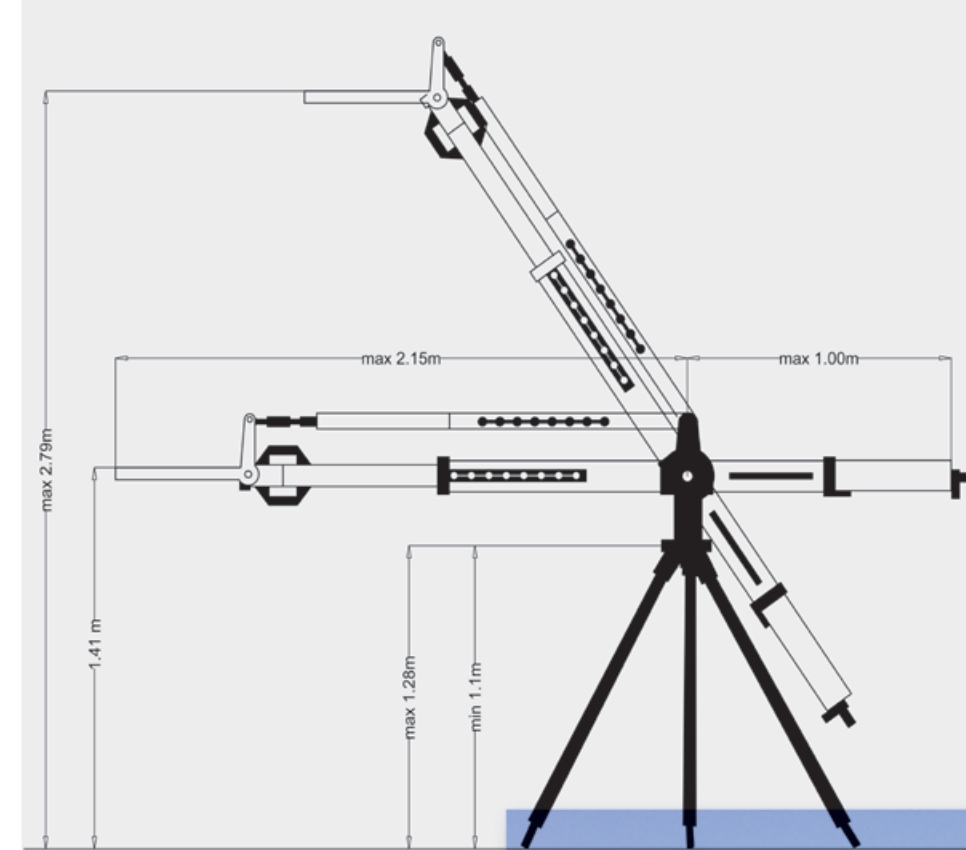

**Model : Pooya-H**

Besat Group manufactures the versatile and rugged camera crane model Pooya for video and film applications in both indoor and outdoor environments. The length of the crane is easily adjustable in a few seconds without the use of any special tools.

The crane is balanced easily with counter balance weights with the help of an automatic self locking rotating handle mechanism. Camera movement with Pooya is smooth and easy, and camera position is fixed with a set of horizontal and vertical brakes.

Set of Pooya Crane includes:

- Telescopic eight stage system (each stage is 65 millimeters)
- Rotating handle for adjusting the counter balance weights
- Two brakes (horizontal and vertical)
- Tripod
- Bracket with safety feature
- Counter balance weights
- Soft carrying bag
