

TLPL-200

TH-253 100W/180W/200W COB LED Studio Par Light (TLPL-200)

The LED Studio PAR is well established – its distinct feature is the innovative COB lamp. With the COB LED you can have an excellent light quality with an extremely high luminous efficacy. This is due to LED chips which are arranged closely in lines. Extremely bright and shedding a steady light – these are the COB LEDs. They are also extremely durable and consume very little energy. This light is adopted 100W/200W single White color or 180W RGB high power module COB LED. Also with Die-casting Aluminum Housing, good corrosion resistance; high electrical and thermal conductivity, retains strength at high temperatures for the die-casting aluminum quality. Photo studios, exhibitions, presentations, theatres, museums – just like the LED Studio PAR, the headlight is suitable for all of these indoor locations.

Features:

- Powerful and innovative 100W/180w/200w COB LED
- For rich, natural colours and illumination uniformity
- Operated via DMX, in master/slave mode or standalone mode
- Integrated microphone for sound control mode
- Simple to operate using the four buttons and LED display
- Double brackets included as standard
- Compact, Die-casting Aluminum housing

Specification

Voltage:	AC90-260V
Frequency:	50-60Hz
Power Consumption:	13W/250W/260W
LED POWER:	100W/180W/200W
LED QTY:	1piece
LED Color:	RGB 3in1(180w),cool white(100W/200w),warm white(100W/200w)
LED Lifetime:	over 30000hours
Color Rendering Index(CRI):	Ra≥90
Control System:	DMX512/Master-slave/Soundactivated/automode
Control Channels:	3CH(singlecolor),7CH(RGB)
Dimmer:	0~100% linearly adjustable
Color temperature:	2000k~6500k
Power input:	Powercorn connector
LED angle:	60°
Setting and Addressing:	4-digit LED
Cooling:	Forced Air Convection, with 1 Fan
Technology:	Thermal management system ensures long life of LEDs
Fan Noise:	12.1~20dB
Fan speed:	900-2,000RPM±10%
Re fresh rate:	4000Hz,flick free for TV and Studio
Accessories:	Barndoor included
Environment Temperature:	-30°~40°
Light body:	Die-casting Aluminum
Housing Color:	Black
Gross Weight:	8kgs
